

Clinton Township Recreation

NEW Field Trip Registration

Field trip registration will now be held ONLINE (preferred) , in the Recreation Office, or Steiner Community Building (only during camp hours)- permission slips and payment will NOT be accepted on site.

We strongly encourage you to set up your password online, ahead of the listed registration time so you can quickly log-in and sign-up. All online registrations will take place at: register.clintontownship.com

Please note: you cannot sign up for day camp and a field trip in the same transaction. Your child must be a regular participant to go on field trips.

For field trip registrations at the Recreation Office or Steiner Community Building we will NOT accept early registration forms, registration will open at the same date/time as online registration.

Field trips will follow the same refund policy as all recreation programs- you must notify the office 2 business days before the trip to guarantee a refund. After that, we will issue a refund only if your spot can be filled from the waiting list. If your child cannot attend a trip due to behavior issues, you will be contacted by site staff and a refund will automatically be issued.

Field trips are a reward for good behavior and not guaranteed to all participants. Please see the Behavior Contract (issued from the site when camp starts) for a full understanding of our behavior management policy.

Day Camp Field trips are popular. Reserve your spot before they SELL OUT! Please note the registration dates/times listed below- registrations will be processed on a first come/first served basis. Our maximum numbers are based on safety standards and will not be adjusted.
