Clinton Township Supervisor Robert Cannon elected to NARC Board, recognized by ASPA

The National Association of Regional Councils (NARC) recently elected new leadership for 2018-2019 at its Annual Conference and Exhibition in Orlando, Florida. Among the group was Clinton Township Supervisor Robert Cannon, who was elected Senior Vice President.

For more than 50 years, NARC has advocated on behalf of regional councils and the benefits regionalism provides for local governments. NARC members work collaboratively in their diverse communities to address challenges that are best solved at the regional scale.

“I have served on many boards in my tenure as Township Supervisor, but this is far and away the most exciting way to support the SEMCOG region at the national level,” said Cannon. “I’m humbled to be elected to serve as Senior Vice President by a national group of elected peers. What an honor,” he said.

At its Annual Meeting and Public Service Awards Presentation, held in Wixom, Michigan, the Metro Detroit Chapter of the American Society for Public Administration (ASPA) recognized Supervisor Cannon as their Outstanding Elected Official of the Year.

“It was a big surprise to be recognized by ASPA at their annual meeting,” said Cannon. “I’m encouraged to see how this group of practitioners is supporting the next generation of public officials, which is so important to local governance.”

ASPA is national organization whose goal is advancing excellence in public service. ASPA’s Detroit Metropolitan chapter began presenting public service awards in 1982.
