PERMIT APPLICATION REVIEW PROCESS

SUBMIT TO CLINTON TOWNSHIP FIRE DEPARTMENT

- 4 sets of plans
- Completed permit application
- Reviewer selection
- Copy of current contractor's and driver's license

PLAN REVIEW

- CTFD will assign a permit number and forward plans and application to the reviewer of the applicant's choice.
- Plan reviewer will contact applicant with regards to review fees and plan approval/denial.
- Plan reviewer will return approved/denied plans to CTFD and notify applicant

PERMIT APPROVAL/ISSUANCE

- Upon receipt of approved plans, CTFD will contact applicant to notify that permit is ready for pickup
- Applicant shall supply payment to CTFD for permit
- Permit will be issued to applicant along with approved plans

NOTE

CTFD will not be responsible for expediting the project due to late submittals or unpaid fees. Testing/Inspections will not be scheduled until plans have been approved & payment received.
