

NOTICE OF PUBLIC HEARING

A Public Hearing will be held to provide citizens an opportunity to review the projects submitted for consideration for the Macomb County Transportation Improvement Plan (TIP) for 2021, 2022 and 2023. This Public Hearing will be held on Tuesday, November 27, 2018, from 8:45AM to 9:45AM at the Macomb County Department of Roads Administration Building/COMTEC located at 117 South Groesbeck Highway, Mount Clemens, MI 48043.

The Macomb County Department of Roads (MCDR) recently collected project submissions from cities, villages and townships through Macomb County and held a meeting of the Federal Aid Committee on November 7, 2018, to review these submitted projects. A five-member panel of FAC members are now involved in the final review process to score and make recommendations for projects for the TIP for 2021, 2022 and 2023.

Approximately \$12 Million to \$13 Million in Surface Transportation Funds are available for each year of the three-year TIP, and a total of more than \$101 Million in federal funding requests for projects were submitted.

The Public Hearing will be conducted in an open house format with MCDR staff members present to answer questions. Attendees may arrive anytime between 8:45AM and 9:45AM timeframe to review the project list, ask questions or submit comments about the project and process.

A list of projects submitted will be available at the meeting or may be reviewed in advance on the Macomb County Department of Roads website at roads.macombgov.org or by requesting a copy by phone at 586.463.8671 extension 1125 or by email at geninfo@rcmcweb.org.
