PREAMBLE

This Agreement entered into this seventh day of May, 2018, between the Charter Township of Clinton, Macomb County, Michigan, hereinafter referred to as the “Employer”, and Chapter of Local 1917.30, Michigan Council 25 of the American Federation of State, County, and Municipal Employees, AFL-CIO, hereinafter referred to as the “Union”.

WITNESSETH:

WHEREAS, the laws of the State of Michigan authorize public employees and public employers to enter into collective bargaining agreements in respect to rates of pay, wages, hours of employment or other conditions of employment, and

WHEREAS, the employees covered by this collective bargaining agreement have heretofore selected the Union as their exclusive collective bargaining representative for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment or other conditions of employment, and

WHEREAS, the Employer and the Union have arrived at certain understandings in collective bargaining negotiations conducted between their respective representatives which they now mutually desire to incorporate into this collective bargaining agreement.

NOW THEREFORE, in consideration of the mutual covenants and benefits to be derived, the parties respectively agree:

ARTICLE I

GENERAL PROVISIONS

Section 1. PURPOSE

The parties hereby enter into this Agreement pursuant to the requirements of and authority granted by the laws of the State of Michigan to incorporate in this formal written collective bargaining agreement all of the terms and conditions of employment in respect to rates of pay, wages, hours of employment or other conditions of employment for the employees covered hereby.

Section 2. DEFINITIONS

A. EMPLOYER shall mean the Charter Township of Clinton, County of Macomb, State of Michigan, and its duly elected or appointed representatives.

B. UNION shall mean Chapter of Local 1917, Michigan Council 25 of the American Federation of State, County and Municipal Employees, AFL-CIO, and its duly elected or appointed officers or representatives.

C. EMPLOYEES shall mean all members of the bargaining unit as hereinafter defined in Section 3 of this Article.

D. SUPERINTENDENT shall mean the head of Clinton Township Building Department and ASSISTANT SUPERINTENDENT shall be the Assistant Head of the Department.

E. BOARD shall mean the Clinton Township Board.

F. INSPECTOR shall mean a person designated as working in the capacity in one of the divisions of the Building Department such as electrical division, plumbing division, heating division, refrigeration division, and building division.
G. In the construction of the words used in this Agreement, whenever the singular number is used, it shall include the plural and whenever the masculine gender is used, it shall include the feminine gender.

Section 3. RECOGNITION OF UNION

Pursuant to and in accordance with all applicable provisions of Act 379 of Michigan Public Acts of 1965, as amended, the Employer hereby recognizes the Union as the sole and exclusive representative for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement of Inspectors, Ordinance Enforcement Officers, and Cross Connection Inspectors of the Clinton Township Building Department and Public Services Department.

Section 4. EXCLUSIVE COLLECTIVE BARGAINING AGREEMENT

The Employer shall not enter into any collective bargaining agreement with an Employee or with any other collective bargaining organization on behalf of Employees nor will the Employer aid, promote, or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for any purpose whatsoever during the term of this Agreement, which would affect the Employees of Section 3 above.

Section 5. MANAGEMENT RIGHTS

Nothing in this Agreement shall be construed as delegating to others the authority conferred by law on the Employer, or in any way abridging or reducing such authority.

This Agreement shall be construed as requiring the Employer to follow the provisions of this Agreement in the exercise of the authority conferred upon the Employer by law.

It is mutually agreed that there is reserved exclusively to the Employer all responsibilities, powers, rights and authority vested in it or heretofore otherwise properly exercised by it under the laws and constitutions of the State of Michigan and the United States, excepting such matters or things as may be expressly and in specific terms limited by the provisions of this Agreement.

Section 6. SCOPE OF AGREEMENT

The parties hereto mutually acknowledge that this Agreement covers each of the terms, conditions of employment and any and all other matters upon which the parties are permitted under law and desire to enter into a collective bargaining agreement during the term hereof and they respectively acknowledge that any matters were considered in negotiation which are not incorporated herein and as to each of those matters as well as any other matters which were not considered in negotiation, all except as otherwise provided herein, they shall not be incorporated in a collective bargaining agreement during the term hereof.

If either party desires to engage in such further collective bargaining, he/she shall furnish the other party with written notice thereof setting forth specifically the matters upon which negotiations are requested.

ARTICLE II

Section 1. AGENCY SHOP

A. The parties recognize that the Michigan legislature has passed a law (Public Act 349 of 2012) which makes it unlawful for them to enter into an agreement requiring membership in the AFSCME as a condition of employment. Accordingly, as long as that law remains in effect, this Agreement does not require employees to become or remain members of the AFSCME as a condition of employment and subsection B will not be enforceable. However, it is understood that the Employer shall continue dues deduction for members of the
Union. In the event that the Michigan law prohibiting union security is repealed or rendered unenforceable by court decision, subsection B will again take effect and will again become immediately enforceable.

B. As a condition of employment, any present or future employee covered by this Agreement who is not a member of this Union and who does not make application for membership shall pay to the Union each month, a service fee as a contribution toward the administration of this Agreement.

Employees who fail to comply with this requirement shall be discharged by the Employer within thirty (30) days after receipt of written notice to the Employer from the Union.

The following terms and conditions shall apply:

A. Employees, if not already a member of the Union, shall pay an initiation fee and the periodic dues uniformly required.

B. Employees shall be deemed to be members of the Union within the meaning of this Section if they are not more than sixty (60) days in arrears in payment of membership dues.

C. Employees, not joining the Union, shall not be required to pay an initiation fee.

The Union agrees to indemnify, protect, and save harmless the Employer from any and all claims, demands, suits and other forms of liability, resulting from the action taken by the Employer in conformity with this Article.

Section 2. CHECK OFF OF DUES, INITIATION FEES AND SERVICE FEES

The Employer shall deduct the Union Initiation Fee and Union Dues, and the Service Fee, when applicable, from the second paycheck of each calendar month for each employee from whom it receives written authorization to do so on the "Authorization for Payroll Deduction" form (Exhibit "A") attached hereto and made part of this Agreement.

The following terms and conditions shall apply to all such deductions:

A. WHEN DEDUCTIONS BEGIN. Deductions shall begin with the second pay of the month in which the Employer receives the written authorization form.

B. TERMINATION OF CHECK OFF. Deductions shall terminate with the month immediately following the month in which the Employee terminates his/her services with the Employer.

C. REMITTANCE OF DUES BY EMPLOYER. Deductions for each calendar month shall be remitted to the designated financial officer of the local Union within ten (10) days after such deductions are made.

D. DISPUTES CONCERNING CHECK OFF. Any dispute arising as to an employee’s membership in the Union for purposes of check off shall be reviewed by a representative of the Employer and the Union. If not resolved, it may be referred to the final step of the grievance procedure for hearing and decision.

E. LIMITATION OF EMPLOYER LIABILITY. The employer shall not be liable to the Union or any employee for the remittance or payment of any sum other than such amount as may constitute actual deductions made from wages earned from employees in accordance with the authorization on file with the Employer.
ARTICLE III
STEWARDS AND ALTERNATES

Section 1. NUMBER OF STEWARDS

The employees may be represented by one (1) steward on each shift which is hereby defined to be any regularly scheduled work period during which four (4) or more full time members of the bargaining unit are scheduled to work. In the absence of the steward, an alternate steward may be appointed by the Union. Within fifteen (15) days after the effective date of this agreement, the Union will furnish the Employer with a list of stewards and officers of the Union and the Employer may rely on such list unless and until it is furnished with a revised list which shall be effective upon receipt of such list by the Employer.

Section 2. STEWARD CONDUCTING UNION BUSINESS DURING WORKING HOURS

The steward on each shift may engage in Union business relating to grievances during working hours without loss of time or pay for a period not exceeding two (2) hours in one day or five hours in one week. The Steward shall notify their Department Head in writing, immediately upon commencement of such Union business and when the same has been completed.

ARTICLE IV
SPECIAL CONFERENCES

Section 1. PURPOSE AND INTENT

In mutual recognition that important matters may arise during the term of this Agreement which necessitates conferences between the Union and the Employer, the parties hereby agree to meet for such purposes. There shall be two (2) representatives from the Union and two (2) representatives from Management.

Section 2. TIME, PLACE, GENERAL PROVISIONS CONCERNING SPECIAL CONFERENCES

A. Special Conferences shall be held during working hours for the day shift except when mutually agreed to the contrary. The Employer shall not be obligated to pay more than two (2) representatives of the Union to attend any such conference during their regularly scheduled working hours.

B. The Employer and the Union shall be represented at such conference by at least two (2) representatives each, and the Union may include in its representation a member of the International Union and/or Council.

C. The Union and the Employer shall present to the other an agenda of any matters which they respectively desire to discuss at the conference at least seven (7) calendar days prior to the scheduled date of conference and the conference shall be confined to those matters included in the said agenda.

D. The place of conference shall be the premises of the Employer and the Union representatives may meet on such premises for a period not exceeding one-half (1/2) hour immediately preceding the scheduled time of the conference.

Section 3. COLLECTIVE BARGAINING PAID NEGOTIATORS

The parties hereto agree that the number of negotiators from this collective bargaining unit that will receive pay or compensatory time off to negotiate a collective bargaining agreement shall not exceed two (2).

During the term of this agreement, the bargaining committee may use up to forty (40) individual employee hours of work time to research and prepare for negotiations. The steward shall notify his/her department head in writing at least two working days in advance of the day and time negotiation preparation...
commences and when the same will be completed. Time used under this provision shall not exceed sixteen (16) hours in one week.

ARTICLE V

GRIEVANCE PROCEDURE

Section 1. DEFINITION

Grievance shall mean a complaint by any employee, group of employees or the Union, that there has been a violation, misinterpretation or misapplication of any provisions of this Agreement or any other matter relating to rates of pay, wages, hours of employment or other conditions of employment.

Section 2. EXCEPTION FROM GRIEVANCE PROCEDURE

The following matters shall not be the basis of any grievance under the procedure established in this Article:

The termination of services or failure to re-employ any probationary employee for other than Union activity.

Section 3. GENERAL PROVISIONS AFFECTING GRIEVANCE PROCEDURES

The following provisions shall apply in the mediation of any grievance under the procedure established hereafter in Section 4 of this Article.

A. Any employee who believes he/she may have a grievance shall first discuss the matter with his her steward.

B. The Union shall be entitled to have a representative present at each step of the grievance procedure and such representative may mediate the grievance if the employee consents thereto.

C. After step one, any appeal to a higher step in the grievance procedure shall be in written form setting forth specifically the incident, occurrence or conditions and the grounds upon which the grievance and appeal is based.

D. Failure to appeal a decision at any step of the grievance procedure within the specified time limit shall be deemed a withdrawal of the grievance. If management fails to answer a grievance within the specified time limit, the Union shall have the option to either grant an extension of time, or have the grievance automatically moved to the next step of the grievance procedure.

E. Time limits specified in the grievance procedure may be extended in any specific instance by mutual agreement in writing.

F. After step one of the grievance procedure, any hearings under the succeeding steps shall be conducted before or after working hours except when mutually agreed to the contrary and except for such hearing as may be held by the American Arbitration Association, it being mutually agreed that none of the parties hereto can regulate the time of hearing before that body, provided, however, any other hearings held under this grievance procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for the attendance of all persons, including witnesses, entitled to be present. When any such hearing is held during working hours, all employees who are required to be present at the hearings shall be excused with pay from their regular duties for that purpose. Provided, however, the Employer shall not be obligated to excuse and/or pay more than two (2) Union representatives for any such hearings.
G. Anything herein to the contrary notwithstanding, any grievances involving suspension, discharge, benefits, pay or any other item costing the Township more than fifteen hundred dollars ($1,500), then in that event, the grievance will automatically be processed at step three of the grievance procedure.

Section 4.

GRIEVANCE PROCEDURE

A. **STEP ONE.** Any time within three (3) working days of the date of the occurrence out of which the grievance arises, if the employee feels he/she has a grievance and has reviewed it with his/her steward, it shall then be discussed with the Superintendent in an attempt to resolve the grievance by informal conference. If the matter is not settled to the satisfaction of the employee, it may be appealed in accordance with the following procedure.

B. **STEP TWO.** In the event the grievance is not disposed of during the Step One process, within three (3) working days, excluding Saturdays, Sundays, and Holidays, of the Step One conference, he/she shall file a written appeal with the Superintendent who shall arrange and conduct a hearing within five (5) working days, excluding Saturdays, Sundays, and Holidays, of receipt of such appeal and shall give his/her written decision on such hearing within three (3) working days excluding Saturdays, Sundays and Holidays, after such hearing.

C. **STEP THREE.** In the event the grievance is not disposed of during the Step Two process, then and in that event, within ten (10) working days after the decision of the Superintendent, the matter shall be referred in writing to the Human Resources Director. By the adoption of this contract, the Township Board agrees that the Human Resources Director has the power and authority on behalf of the Township to resolve all grievances at this Step Three level. The Human Resources Director shall hold a hearing within ten (10) working days of receipt of grievance and shall issue his determination within ten (10) working days of the termination of the grievance hearing. The Human Resources Director’s determination shall be supplied to the Union President.

D. **STEP FOUR.** If the grievance party is not satisfied with the decision rendered by the Human Resources Director, then they shall have the right within thirty (30) days from receipt of the decision of the Human Resources Director to request a mediator from the Federal Mediation and Conciliation Service. The parties will meet with the mediator in an attempt to resolve the grievance. If the mediator is unable to resolve the grievance to both parties’ satisfaction then the grievance party shall have the right to move the grievance to Step Five below. The grievance party may at its choice elect to skip Step Four and proceed directly to Step Five.

E. **STEP FIVE.** If the grievance party is not satisfied with the decision rendered by the Human Resources Director or if the mediator is unable to resolve the grievance in accordance with Step Four, then they shall have the right within thirty (30) days from receipt of the decision of the Human Resources Director or the date of the Step Four meeting whichever is later, to appeal the matter to the Civil Service Commission or resort to binding arbitration. Upon the Union electing one of these options, the other option is null and void. Therefore, if the Union opts to go to Civil Service, it forgoes Step Six with references to final and binding arbitration and if it opts to go to Step Six-Final & Binding Arbitration, the Union forfeits its right to have the matter processed through Civil Service. The Civil Service Commission will only be required to hear issues which fall within their legal jurisdiction. If they determine that they do not have the authority to hear a case, then the grievance will automatically be moved to Step Six.

F. **STEP SIX-FINAL & BINDING ARBITRATION.**

1. If the grievance is not resolved at Step Three, the Union has thirty (30) working days from the receipt of the Step Three answer to file a Notice of Intent to Arbitrate, by sending a letter to the Human Resources Director. If the Union fails to request arbitration within this time limit, the grievance shall be deemed not eligible to go to arbitration.
2. Upon written request by either party, after the notice of Intent to Arbitrate, the parties shall meet in order to attempt to resolve the grievance. Such meeting is not intended to be automatic for all grievances so as to defeat the purpose of Step Three. The meeting shall be composed of two (2) representatives of the Union and two (2) representatives of the Employer. The union members shall be the Chapter Chairperson and the Council 25 Representative, or their designee.

3. If the parties agree to resolve the grievance, its disposition shall be reduced to writing and signed by both the Union representatives and Employer representatives.

4. Selection of the Arbitrator
   a. Within ninety (90) days of the receipt of the written demand for arbitration, the union shall notify one of the arbitrators from the permanent roster of arbitrators listed below.
      
      Mark Glazer
      Barry Goldman
      Joseph Girolamo
      Benjamin W. Wolkinson
      Kathryn A. Van Dagens

      Selection shall be made on a rotation basis with the arbitrator listed first as the one who will be assigned the first case. The next arbitrator on the list will be assigned the second case and so on until each arbitrator shall have heard a case. Once the list has been exhausted, the parties will go back to the beginning of the list and start the selection process over with the first name on the list.

   b. The parties recognize that an arbitrator may not be available for an extended period of time to hear a case (extended period of time shall mean three (3) months or longer). The parties may then move to the next arbitrator on the list.

   c. An arbitrator may be removed from the list by written notice of either party during the life of the Agreement. Upon such removal no further cases will be assigned to that arbitrator but the arbitrator will hear and decide any cases already assigned to him/her. Within thirty (30) days after such removal, the parties shall meet and mutually agree upon another arbitrator to replace the arbitrator removed. The newly selected arbitrator will be placed on the list in the numbered position of the arbitrator he/she replaces. An arbitrator may remove himself/herself from the list at any time.

   d. If the parties agree, in a particular case, not to use the list of arbitrators, they may agree in writing to use the American Arbitration Association selection procedure.

ARTICLE VI

DISCHARGE & DISCIPLINE

Section 1. NOTICE TO UNION

The Employer agrees to furnish the Employee with at least two (2) copies of a written notice of discharge or discipline. The Employer shall furnish the Chapter Chair a copy of all discipline.

Section 2. GENERAL PROVISIONS

A. The Employer shall not discharge any employee without just cause. If in any case the Employer feels there is just cause for discharge, the employee involved will be suspended for five (5) days without pay. The employee and his or her steward will be notified in writing
that the employee has been suspended and is subject to discharge after the five (5) days suspension period.

B. The Union shall have the right to take up the suspension and/or discharge grievance at the third step of the grievance procedure within the five (5) days suspension period and the matter shall be handled in accordance with this procedure through the final step of the grievance procedure if deemed necessary by either party.

C. Any employee found to be unjustly or excessively suspended or discharged shall be reinstated with full compensation for all lost time and with full restoration of all other rights and conditions of employment found to be unjust.

D. Use of Past Record. In imposing any discipline and/or discharge for a non-criminal act, the Employer will not take into account any prior disciplinary actions which occurred more than two years prior to the incident for which the employee is being disciplined. Upon written request from the employee, the Employer will purge the employee’s file of disciplinary actions over two (2) years old.

The above limitation on prior discipline shall not apply when discipline and/or discharge is related to criminal or fraudulent conduct.

Section 3. TYPES OF DISCIPLINE & ACTION

Disciplinary action or measures shall include only the following:

A. Oral Reprimand.
B. Written Reprimand.
C. Suspension With or Without Pay (Notice to be given in writing).
D. Discharge.

Any disciplinary action or measure imposed upon an employee may be processed as a grievance through the regular grievance procedure. If the Employer has reason to reprimand, or address for any purpose, an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

ARTICLE VII

SEN尼ORITY

Section 1. PROBATIONARY EMPLOYEES

New employees hired in the bargaining unit shall be on probation for the first 120 calendar days of their employment. Such 120 day period shall be lengthened by days not worked on account of illness. After such 120 day period, the employee’s name shall be entered on the seniority list and his/her seniority shall be computed from the date of his/her employment. There shall be no seniority among probationary employees. The Union shall be the exclusive collective bargaining representative for probationary employees. The Union shall be the exclusive collective bargaining representative for probationary employees in respect to rates of pay, wages, hours of employment and other conditions of employment, provided, however, the Employer shall have the sole discretion in matters of discharge and discipline affecting probationary employees and any discharge or discipline of such employees shall not be subject to the grievance procedure.

Section 2. SENIORITY LISTS

The seniority of an employee shall not be affected by his/her race, sex, marital status or number of dependents. The Employer shall maintain an up to date seniority list containing the names and job titles of all employees of the bargaining unit entitled to seniority and a copy of such list shall be furnished to the Union upon execution of this Agreement. The Employer shall furnish a revised list with a reasonable time after any changes occur.

AFSCME Local 1917.30
April 1, 2018 – March 31, 2023
Section 3.  LOSS OF SENIORITY

Any employee shall forfeit his/her seniority only for the following reasons:

A.  He/she voluntarily quits.

B.  He/she is discharged and the discharge is not reversed under the grievance procedure.

C.  He/she is absent from his/her work without notice to the Employer for three (3) consecutive working days. The deadline for submission of a notice to the Employer is the end of the employee’s shift on the third day of absence. Upon the expiration of such period, the Employer will send written notice to the employee mailed to his/her last known address that his/her seniority has been forfeited and his/her employment terminated.

D.  He/she fails to return to work when recalled after layoff, as set forth in the recall procedure of this Agreement.

E.  He/she fails to return to work after having been on sick leave or leave of absence, in which event such failure shall be subject to and handled in the same manner as specified in subparagraph C.

Section 4.  LAY-OFF PROCEDURE

A.  LAY OFF shall mean a reduction in the working force due to a decrease in work, the financial ability of the employer to pay for the services of the employees, or any other matter beyond the control of the employer.

B.  If an employee must be laid off for an indefinite period of time, the Employer shall give written notice of such lay off at least seven (7) calendar days prior to the effective day of lay-off and a list of the names of such employees shall be furnished to the Union’s secretary on the same date the notice is given to the employees.

C.  The order of layoff of employees shall be governed by seniority within their occupational trade, provided, however, probationary employees shall be laid off first and seniority employees shall be laid off according to their respective seniority within their occupational trade.

D.  If an employee is laid off for two (2) consecutive years without being recalled for employment, then all rights to employment terminate.

Section 5.  RECALL PROCEDURE

After a lay-off, the Employer shall have the right to recall employees according to needs in the various trades or divisions of the Building Department. If two or more employees on lay-off are qualified to perform the same trade, then the employee with the greater seniority shall be recalled first. In the case of employees having the same seniority date, seniority shall be determined by the employee who has the higher last four digits of the employee’s Social Security number, with 9999 being the highest and 0000 being the lowest. The Employer shall give the employee written notice of recall by certified mail, telegram or personal delivery to the employee’s last known address. If the employee fails to report for work within seven (7) calendar days after mailing, wiring or delivery, as the case may be, of the recall notice, then the employee’s right to recall is terminated.
ARTICLE VIII

PROMOTIONS

Promotions within the bargaining unit shall be made on the basis of seniority and qualification required for the position. The Employer shall post any such job vacancies in a conspicuous place in the Building Department for a period of seven (7) calendar days during which time any interested employee shall make application. The Employer shall have the sole discretion in evaluating the qualifications of the applicants, provided the applicant with the greatest seniority shall be given priority by the Employer, if the qualifications are equal. If there are no internal applicants applying for the promotion, the Employer shall be entitled to hire outside personnel by any means it desires.

ARTICLE IX

LEAVES OF ABSENCE

Section 1. PERMISSIVE LEAVES OF ABSENCE

The Employer may grant a leave of absence for a period not exceeding one (1) year for any purpose which the Employer deems to constitute reasonable cause, during which time the employee's seniority shall be frozen. Once an employee's leave of absence commences, the Township shall not maintain or provide the employee hospital, medical, life, dental or optical insurance for the leave period and the employee ceases to accrue pension service credit, retiree health care credit, vacation, personal or sick leave. A temporary full-time employee may be hired to fill the vacancy created by the leave of absence for the duration of the leave.

A. PROCEDURE. Employees desiring leaves under this section shall notify the department head at least fifteen (15) days in advance of the date on which such leave is to become effective, and shall specify the facts giving rise to the request for leave. In emergency cases, exceptions may be made.

Section 2. MANDATORY LEAVE FOR UNION OFFICE

Once an employee’s leave of absence commences, the Township shall not maintain or provide the employee hospital, medical, life, dental or optical insurance for the leave period and the employee ceases to accrue pension service credit, retiree health care credit, vacation, personal or sick leave. A temporary full-time employee may be hired to fill the vacancy created by the leave of absence for the duration of the leave.

A. Employees desiring leaves under this Section shall notify his her department head at least fifteen (15) days in advance of the date on which such leave is to become effective, and shall specify the facts giving rise to the request of leave. In emergency cases, exceptions may be made.

B. Upon return of an employee from leave, he/she shall be re-employed at the classification rate of pay held at the time of leave.

Section 3. UNION CONVENTIONS

The chapter chairperson or his/her representative elected to attend a function of the International Union such as convention, or educational conferences, upon proper application, shall be allowed a total of five (5) days per year time off without loss of time or pay to attend such conference and/or conventions.

Where a bargaining unit member maintains active status as a member of a National Guard or Reserve unit, the member will be given the required time off to attend annual active duty training, monthly meetings and emergency activation, if needed. Such employees shall receive their regular hourly pay provided they return to the Township the taxable money received from the military duty, and shall then receive full pay for the number of work days missed from the Township without having to make up said days, provided the training does not exceed fifteen (15) work days per calendar year. In order for an employee to receive regular pay from the Township for time spent in training, the employee must:

1. Provide a copy of the employee's military orders to the department head, prior to leave when possible.

2. For training days that an employee wishes to receive full pay from the Township, the employee shall reimburse the Township a pro-rata portion of the employee's full taxable military pay for time spent in training, within thirty (30) days after the employee receives his/her taxable military pay.

Any employee who is drafted into the active military services of the Armed Forces of the United States shall be entitled to any re-employment or veteran's preference as mandated and required by any laws of the Federal government or State of Michigan.

ARTICLE XI

COMPENSATED ABSENCES

Section 1. SICK LEAVE

Effective April 1 each year, employees will be given seven (7) sick days. Sick days accumulated in excess of fourteen (14) shall be paid in the first pay following the end of the contract year in which said days exceed fourteen (14). Excess days shall be paid at the rate of one-half (½) of base pay. The last day of the contract year in which the excess was accumulated will determine the price of the base pay per day. Sick days in excess of fourteen (14) shall not be available for purchase at the end of contract years requiring bargaining unit members to take unpaid furlough days.

Bargaining unit members hired after April 1 each year will be credited sick days on prorated basis from date of hire until the 1st of April following his/her commencement of work. The credit will be allocated in a lump sum as of the date of hire.

When an employee is on sick leave, such period shall be considered as continued employment for all matters covered by this Agreement. If an employee is ill or otherwise entitled to use sick leave, the employee shall provide notice to the Employer within an hour period commencing one-half (1/2) hour prior to starting time. If an employee fails to provide such notice, eight (8) hours of pay shall be deducted from the employee’s paycheck unless a reasonable explanation demonstrating inability to give notice is provided to the Employer.

When an employee's absence is for more than three (3) continuous work days, the employee may be required to file a physician’s certificate to verify the injury or illness which prevented the employee from working. A department head or designee may also require such a physician’s certificate from any employee whenever the employee’s pattern of sick leave absences indicates the possibility of sick leave abuse. Employees who fail to file a physician’s certificate upon request under this article will not be paid for the sick leave absences involved.

Sick leave usage will be charged to the nearest one-half (1/2) hour in cases of absence for less than a full day.

It is further understood by both parties that if an employee is continuously sick and has used all accrued sick and personal days, that employee may use accrued vacation time as sick leave.
Illness within immediate family, or an emergency illness in the home, is covered under the sick leave provision above, but shall not include nursing or babysitting services.

Section 2. SHORT TERM/LONG TERM DISABILITY

The Township will provide employees with short-term and long-term disability benefits in accord with the benefits of the Insurance Policy and Summary Plan Description in the Human Resources Office except as modified by this Collective Bargaining Agreement. The short-term disability waiting period shall be five work days, except when an employee is hospitalized or when the employee is disabled from work due to outpatient surgery. In these instances the benefit shall begin on the first day of disability. The short term disability benefit is 66 2/3% of base pay for a period of up to twenty-six weeks. If the employee is still disabled after twenty-six weeks, he/she shall be eligible for long-term disability benefits. Said benefit shall be 60% of base pay and shall be paid for a period not to exceed the date that the employee would otherwise be able to retire. The rules regarding these benefits are spelled out in the summary plan descriptions for these two plans and subject to the determinations and rules of the insuring companies.

If an employee becomes disabled and entitled to the benefits of the disability plan, he/she shall have the option of first using sick days, then personal days, and then vacation days before applying for the benefits under the disability plan. Once the employee applies for the disability plan benefits, the employee shall not have the right to draw on sick days, personal days, or vacation days for any injury or illness arising out of the same cause for which the disability originated.

Once an employee is receiving disability benefits for a period of twelve (12) months from the time the benefit period commenced, then that employee shall no longer be an employee of Clinton Township, regardless of the fact that there are sick days, personal days and vacation days not used. This provision does not prevent the employee from requesting a leave of absence from the Township. Upon termination, the employee will be reimbursed for each bank sick day at 1/2 day’s pay, and the vacation days will be paid at the rate of pay in effect at the time the disability was applied for. The parties agree that once the employee goes on disability and a new employee is hired, the new employee will be notified by the Township that the employment will be subject to the return of the disabled employee.

Once the employee qualifies for disability benefits, the Township shall maintain and provide the employee’s hospital, medical, life and dental and optical insurance for the disability period. However, these benefits shall not extend beyond twelve (12) months from the date which the employee qualified for disability benefits, which constitutes the employment period. The employee shall not accrue vacation days while on disability leave. Vacation accrual eligibility for months partially worked while on disability leave shall be determined by MERS rules for pension credit eligibility.

Section 3. LIGHT DUTY ASSIGNMENTS

The Township has the right to have the employee examined by a physician of its choice for concurrence prior to being assigned to light duty. The employee placed in this type of assignment will not be allowed to work overtime. The following stipulations will apply:

a. To be eligible for light duty an employee must have qualified for short-term disability benefits.

E. Employees will be paid their current rate based on their regularly scheduled work days while on vacation and will continue to receive credit for any benefits provided in this Agreement.

F. If an employee separates from employment, he/she will be paid for any unused vacation credit at the compensation rate at the time of separation, including that accrued in the current calendar year. An employee who is recalled after layoff who received such credit at the time of layoff for the current calendar year, will have such credit deducted from his/her vacation for the following year. Building Inspectors and Ordinance Enforcement Officers shall be furnished an air conditioned vehicle for use in their duties. Exterior washing will be done as required and interior cleaning minimum of once per month. Smoking is not permitted in Township vehicles. Employees shall be reimbursed by the Township within thirty (30) days upon submission of proper documentation. Any employee who withdraws from or fails to complete a course or program after receiving reimbursement from the Township or who fails to obtain a passing grade equal to “C” or better, or notification of satisfactory completion when grade points are not used, shall have thirty (30) days from the date of withdrawal or the date he/she receives less than a “C” grade or notification of unsatisfactory completion to repay the Township such monies. If such amount is not repaid to the Township, upon advanced notice to Employee, such amount shall be withheld from his/her pay. Advance notice shall not be necessary if the employee is terminating employment. Reimbursement shall be paid only in cases where the employee’s tuition and books are not being compensated by someone else of a different agency.

If the Employee does not work for the Township for at least one (1) year after receiving his/her school expenses, then and in that event the Employee shall refund or have deleted from his/her separation pay the prorata amount for that portion of a year, as measured by months, that remains after terminating employment. The proration of months shall be determined by counting any months where the Employee has the employment status for at least sixteen (16) days during the calendar month and disregarding any months where the Employee does not have sixteen (16) calendar days. This paragraph shall not apply if the employment ceases because of retirement with normal age and service time. “Normal age and service time” shall be that retirement now recognized by MERS as an eligible retirement without penalties or loss of benefits — it does not include early or disability retirement. Also, if the Employee’s employment is terminated for any reason other than “just cause” by the Employer, then they will not be obligated to pay any refund.
Any classes/programs that are required by the Employer, State, or Federal body, as well as any other agency recognized to have the authority to require this education, shall be excluded from the requirements of this paragraph.

Employees will be required to wear hard hats on all job sites which are posted as “hard hat areas” or otherwise required by the Occupational Health and Safety Act. Boots shall be removed prior to entering a structure. Boots shall be stored in a manner to protect the interior of the vehicle. The Township shall provide suitable containers.

APPENDIX “B”

TOWNSHIP POLICY ON MEDICAL AND HOSPITALIZATION INSURANCE FOR WIDOWS, WIDowers, AND RETIREES

PREAMBLE

The Township Board having recognized that the availability of adequate medical and/or hospital insurance to widows, widowers, and retirees is limited and being informed that such coverage may be made available from time to time through the group plans for such coverage in existence in the Township, has further determined that such benefits be made available to widows, widowers, and retirees under the circumstances outlined hereinafter.

POLICY

It shall be the policy of the Township of Clinton hereafter to make available to widows, widowers, and retirees a policy of hospital and/or medical insurance as near as possible to that type of insurance provided for the employee prior to his death or retirement, subject to the following terms and conditions.

1. The full cost of any such insurance coverage shall be paid to the widow, widower or retiree during the month prior to the date upon which the premium is due, and no portion shall be contributed by the Township. Provided, however, if the employee qualifies for Medicare at the time of his retirement, then the Township shall pay the insurance coverage premium for such hospitalization and medical insurance as may be available to supplement the Medicare program. Employees retiring on a disability after having reached the age of 62 and after having 15 years of continuous service as a permanent employee, will have the supplement to Medicare paid for them by the Township once they qualify for Medicare.

2. The Township does not hereby guarantee to provide such insurance unless and only to the extent that it can be made available through whatever group insurance arrangement the Township may have at the time.

3. The insurance contemplated under this policy shall be available to the widow, widower or retiree, their spouse at the time of their retirement or death and/or their children under the age of nineteen (19) years. Provided, however, in the event the widow or widower shall remarry he or she shall thereafter be ineligible for any benefit under this policy, but any dependent children under the age of nineteen (19) years shall continue to be eligible.

4. No widow, widower or retiree or dependent child otherwise eligible under this policy shall be obligated hereunder as this policy shall be entirely voluntary and shall be effective only so long as the persons entitled to benefits hereunder desire to have such coverage as the Township may be able to make available from time to time as provided above.

5. Any person who fails to make payments of the premium in accordance with the terms of this policy shall immediately be terminated and disqualified from any further coverage hereunder.

6. The term “Retiree” as used in this policy is intended to include any employee who retires by virtue of achieving the age of retirement and any employee who retires as a result of disablement for further employment, if such disabled employee has attained the age of 62 and has 15 years of continuous service as a permanent employee, whether such disablement is connected with that employee’s employment or otherwise.

7. This policy shall be implemented through the office of the Clerk of the Township and any widow, widower or retiree who desires to acquire the benefits provided hereunder shall make all arrangement through that office.

8. This policy replaces similar policies adopted by the Board on March 13, 1974 and July 8, 1975 and shall be effective upon the adoption hereof and continue until further action of the board if any.
APPENDIX “C”

PAY IN LIEU OF HEALTH INSURANCE COVERAGE

The UNION and the EMPLOYER recognize that in some instances employees have duplicate health insurance coverage. In these cases the Township and another employer are both paying insurance premiums and the employee is receiving little or no additional benefits. In an effort to avoid this wasteful duplication, the parties have agreed upon the following program, which allow employees to decline the Township provided hospital/medical insurance program and receive instead a contribution to their deferred compensation account.

A. ELIGIBILITY

All employees who are covered or eligible for coverage by the Employer’s hospital/medical insurance programs are eligible for this option. They may take advantage of this option by:

1.) Providing written proof that they have current coverage under another health insurance plan and;

2.) Submitting the “Waiver of Medical Insurance” form which appears as Appendix D to this agreement.

B. AMOUNT OF BENEFIT

The Employer will compensate the employee in the amount of $100 per pay period in addition to his/her normal pay.

C. STIPULATIONS

The parties agree to the following stipulations:

1. Employees may elect this option at open enrollment.

2. The supplemental pay will begin with the first pay date in the month that insurance coverage ceases. There will be no retroactive payments.

3. Employees may elect to reinstate their health insurance coverage and drop the supplemental pay plan at the annual health insurance open enrollment. If an employee wishes to reinstate their health insurance coverage at any other time, they may do so only if the reinstatement is due to loss of coverage as a result of the death of, divorce from, or loss of coverage due to the unemployment of the individual covering the employee under another plan.

4. Those persons who are eligible for hospital/medical insurance at the inception of this agreement but who have elected not to be insured by the Township plan because they are covered by another plan, will be eligible for this option.

5. In those cases where both a husband and wife work for the Township, one person may carry his/her spouse and dependents on the health insurance policy and the other person may elect the supplemental pay plan.

6. When an employee elects to drop his/her insurance coverage, he/she must drop it for him/her self and all dependents. (e.g. A parent cannot drop insurance for him/her self and retain coverage for his/her children).

7. The Provisions of this plan which pertain to adding or dropping insurance coverage are subject to the administrative rules of the insurance carriers for the Township.
APPENDIX “D”

WAIVER OF MEDICAL INSURANCE

______________________________

**Important Questions** | **Answers** | **Why this Matters:**
--- | --- | ---
What is the overall deductible? | **$1,000** person / **$2,000** family<br>Doesn't apply to preventive care | You must pay all the costs up to the **deductible** amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the **deductible** starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the **deductible**.

Are there other deductibles for specific services? | There are deductibles for services received by out-of-network providers. **$2,000** person / **$4,000** family | You must pay all of the costs for these services up to the specific **deductible** amount before this plan begins to pay for these services.

Is there an out-of-pocket limit on my expenses? | Yes. **$3,000** person / **$6,000** family for services received by in-network providers. | The **out-of-pocket limit** is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. Higher out-of-pocket limits exist for services received by out-of-network providers.

What is not included in the out-of-pocket limit? | Copays, Premiums, balance-billed charges, and health care this plan doesn’t cover. | Even though you pay these expenses, they don’t count toward the **out-of-pocket limit**. Total out-of-pocket limit including copays is **$6,350** person / **$12,700** family.

Is there an overall annual limit on what the plan pays? | No. | The chart starting on page 2 describes any limits on what the plan will pay for specific covered services, such as office visits.

Does this plan use a network of providers? | Yes. See [www.bcbsm.com](http://www.bcbsm.com) for a list of participating providers. | If you use an in-network doctor or other health care **provider**, this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network **provider** for some services. Plans use the term in-network, **preferred**, or participating for **providers** in their **network**. See the chart starting on page 2 for how this plan pays different kinds of **providers**.

Do I need a referral to see a specialist? | No. You don’t need a referral to see a specialist. | You can see the **specialist** you choose without permission from this plan.

Are there services this plan doesn’t cover? | Yes. | Some of the services this plan doesn’t cover are listed on page 4. See your policy or plan document for additional information about **excluded services**.

If you aren’t clear about any of the underlined terms used in this form, see the Glossary. You can call 1-586-723-8072 to request a copy.
- **Copayments** are fixed dollar amounts (for example, $10) you pay for covered health care, usually when you receive the service.

- **Coinsurance** is your share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is $1,000, your **coinsurance** payment of 20% would be $200. This may change if you haven't met your **deductible**.

- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges $1,500 for an overnight stay and the **allowed amount** is $1,000, you may have to pay the $500 difference. (This is called **balance billing**.)

- This plan may encourage you to use participating **providers** by charging you lower **deductibles**, **copayments**, and **coinsurance** amounts.

**Questions:** Call 1-586-723-8072

Questions and answers about the Coverage Examples:

What are some of the assumptions behind the Coverage Examples?

- Costs don’t include **premiums**.
- Sample care costs are based on national averages supplied by the U.S. Department of Health and Human Services, and aren’t specific to a particular geographic area or health plan.
- The patient’s condition was not an excluded or preexisting condition.
- All services and treatments started and ended in the same coverage period.
- There are no other medical expenses for any member covered under this plan.
- Out-of-pocket expenses are based only on treating the condition in the example.
- The patient received all care from in-network **providers**. If the patient had received care from out-of-network **providers**, costs would have been higher.

What does a Coverage Example show?

For each treatment situation, the Coverage Example helps you see how **deductibles**, **copayments**, and **coinsurance** can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn’t covered or payment is limited.

Does the Coverage Example predict my own care needs?

- **No.** Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor’s advice, your age, how serious your condition is, and many other factors.

Does the Coverage Example predict my future expenses?

- **No.** Coverage Examples are not cost estimators. You can’t use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your **providers** charge, and the reimbursement your health plan allows.

Can I use Coverage Examples to compare plans?

- **Yes.** When you look at the Summary of Benefits and Coverage for other plans, you’ll find the same Coverage Examples. When you compare plans, check the “Patient Pays” box in each example. The smaller that number, the more coverage the plan provides.

Are there other costs I should consider when comparing plans?

- **Yes.** An important cost is the premium you pay. Generally, the lower your **premium**, the more you’ll pay in out-of-pocket costs, such as **copayments**, **deductibles**, and **coinsurance**. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.

<tr>
<td>What is the overall deductible?</td>

</tr>
<tr>
<td>Is there an out-of-pocket limit on my expenses?</td>
<td>Yes. $2,000 person / $4,000 family for services received by in-network providers.</td>

<td>If you use an in-network doctor or other health care provider, this plan will pay some or all of the costs of covered services. Appendix "H"
- **Copayments** are fixed dollar amounts (for example, $10) you pay for covered health care, usually when you receive the service.

- **Coinsurance** is your share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan’s **allowed amount** for an overnight hospital stay is $1,000, your coinsurance payment of 20% would be $200. This may change if you haven’t met your deductible.

- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network provider charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges $1,500 for an overnight stay and the **allowed amount** is $1,000, you may have to pay the $500 difference. (This is called **balance billing**.)

- This plan may encourage you to use participating providers by charging you lower deductibles, copayments and coinsurance amounts.

Does the Coverage Example predict my own care needs?

✘ No. Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor's advice, your age, how serious your condition is, and many other factors.

Does the Coverage Example predict my future expenses?

✘ No. Coverage Examples are not cost estimators. You can't use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your providers charge, and the reimbursement your health plan allows.

Can I use Coverage Examples to compare plans?

✔ Yes. When you look at the Summary of Benefits and Coverage for other plans, you'll find the same Coverage Examples. When you compare plans, check the "Patient Pays" box in each example. The smaller that number, the more coverage the plan provides.

Are there other costs I should consider when comparing plans?

✔ Yes. An important cost is the premium you pay. Generally, the lower your premium, the more you'll pay in out-of-pocket costs, such as copayments, deductibles, and coinsurance. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.

### Important Questions | Answers | Why this Matters:
--- | --- | ---
What is the overall deductible? | $250 person / $500 family Doesn't apply to preventive care | You must pay all the costs up to the **deductible** amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the **deductible** starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the **deductible**.
Are there other deductibles for specific services? | There are deductibles for services received by out-of-network providers. **$500** person / **$1,000** family | You must pay all of the costs for these services up to the specific **deductible** amount before this plan begins to pay for these services.
Is there an out-of-pocket limit on my expenses? | Yes. **$750** person / **$1,500** family for services received by in-network providers. | The **out-of-pocket limit** is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. Higher out-of-pocket limits exist for services received by out-of-network providers.
What is not included in the out-of-pocket limit? | Copays, Premiums, balance-billed charges, and health care this plan doesn’t cover. | Even though you pay these expenses, they don’t count toward the **out-of-pocket limit**. Total out-of-pocket limit including copays is **$6,350** person / **$12,700** family.
Is there an overall annual limit on what the plan pays? | No. | The chart starting on page 2 describes any limits on what the plan will pay for specific covered services, such as office visits.
Does this plan use a network of providers? | Yes. See [www.bcbsm.com](http://www.bcbsm.com) for a list of participating providers. | If you use an in-network doctor or other health care **provider**, this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network **provider** for some services. Plans use the term in-network, **preferred**, or participating for **providers** in their network. See the chart starting on page 2 for how this plan pays different kinds of **providers**.
Do I need a referral to see a specialist? | No. You don’t need a referral to see a specialist. | You can see the **specialist** you choose without permission from this plan.
Are there services this plan doesn’t cover? | Yes. | Some of the services this plan doesn’t cover are listed on page 4. See your policy or plan document for additional information about **excluded services**.

**Questions:** Call 1-586-723-8072
If you aren’t clear about any of the underlined terms used in this form, see the Glossary. You can call 1-586-723-8072 to request a copy.
**Copayments** are fixed dollar amounts (for example, $10) you pay for covered health care, usually when you receive the service.

**Coinsurance** is your share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is $1,000, your **coinsurance** payment of 20% would be $200. This may change if you haven't met your **deductible**.

The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network provider charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges $1,500 for an overnight stay and the **allowed amount** is $1,000, you may have to pay the $500 difference. (This is called balance billing.)

This plan may encourage you to use participating providers by charging you lower deductibles, copayments, and coinsurance amounts.

Appendix "I"
Your Rights to Continue Coverage:
If you lose coverage under the plan, then, depending upon the circumstances, Federal and State laws may provide protections that allow you to keep health coverage. Any such rights may be limited in duration and will require you to pay a premium, which may be significantly higher than the premium you pay while covered under the plan. Other limitations on your rights to continue coverage may also apply.

For more information on your rights to continue coverage, contact the plan at 1-586-723-8072. You may also contact your state insurance department, the U.S. Department of Labor, Employee Benefits Security Administration at 1-866-444-3272 or www.dol.gov/ebda, or the U.S. Department of Health and Human Services at 1-877-267-2323 x61565 or www.cciio.cms.gov.

Your Grievance and Appeals Rights:
If you have a complaint or are dissatisfied with a denial of coverage for claims under your plan, you may be able to appeal or file a grievance. For questions about your rights, this notice, or assistance, you can contact: Human Resources, 40700 Romeo Plank Road, Clinton Township, MI 48038, 1-586-723-8072 or the Department of Labor’s Employee Benefits Security Administration at 1-866-444-EBSA (3272) or www.dol.gov/ebda/healthreform.

Does this Coverage Provide Minimum Essential Coverage?
The Affordable Care Act requires most people to have health care coverage that qualifies as “minimum essential coverage.” This plan or policy does provide minimum essential coverage.

Does this Coverage Meet the Minimum Value Standard?
The Affordable Care Act establishes a minimum value standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). This health coverage does meet the minimum value standard for the benefits it provides.

Questions and answers about the Coverage Examples:

What are some of the assumptions behind the Coverage Examples?

- Costs don’t include premiums.
- Sample care costs are based on national averages supplied by the U.S. Department of Health and Human Services, and aren’t specific to a particular geographic area or health plan.
- The patient’s condition was not an excluded or preexisting condition.
- All services and treatments started and ended in the same coverage period.
- There are no other medical expenses for any member covered under this plan.
- Out-of-pocket expenses are based only on treating the condition in the example.
- The patient received all care from in-network providers. If the patient had received care from out-of-network providers, costs would have been higher.

What does a Coverage Example show?

For each treatment situation, the Coverage Example helps you see how deductibles, copayments, and coinsurance can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn’t covered or payment is limited.

Does the Coverage Example predict my own care needs?

✗ No. Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor’s advice, your age, how serious your condition is, and many other factors.

Does the Coverage Example predict my future expenses?

✗ No. Coverage Examples are not cost estimators. You can’t use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your providers charge, and the reimbursement your health plan allows.

Can I use Coverage Examples to compare plans?

✓ Yes. When you look at the Summary of Benefits and Coverage for other plans, you’ll find the same Coverage Examples. When you compare plans, check the “Patient Pays” box in each example. The smaller that number, the more coverage the plan provides.

Are there other costs I should consider when comparing plans?

✓ Yes. An important cost is the premium you pay. Generally, the lower your premium, the more you’ll pay in out-of-pocket costs, such as copayments, deductibles, and coinsurance. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.
