## Dog Park Survey - 2017

8	Distance from parking to fenced yard, gap under outer gate is big enough for small dog to get under.	6/16/2017 11:47 AM
9	there are a "few" dogs that seem to have the full run of the park and these dogs bully a lot of the other dogs..not much accountability for the dog owners of these dogs and this has kept quite a few other dogs/owners away from the park Also, for the cost of the ramp and the dog-like garbage can, a hand sanitizer station would have made a much more sensible addition to the park. Most people have bought sanitizer for their cars and would really appreciate that addition	6/16/2017 10:08 AM
10	Last year mosquitoes were bad and sometimes it can get muddy, but not sure if anything can even be done about that!	6/15/2017 11:18 PM

14	I have been to the park once. When my sister in law signed up, a MN came in with a bleeding leg from a dog bite. It sounds like the park has no cameras. I am afraid to bring my dog now.	6/14/2017 6:32 PM

18	People who carry their dogs while in the park,could lead to injury from a curious dog	6/14/2017 12:09 PM

31	Aggressive dog behavior	6/13/2017 10:54 AM
32	none	6/13/2017 10:36 AM
33	not enough shade	6/13/2017 9:50 AM
34	The land needs to be leveled - many areas are a SWAMP at times, which breeds mosquitoes and the dogs get full of mud..	6/13/2017 9:17 AM
35	Low spots... cannot use after rain until field dries out...	6/13/2017 9:14 AM
36	During the rainy season the entrance and middle of the dog park get very muddy.	6/13/2017 9:05 AM
37	Humans- 1) People just sit around talking to other people and do not watch their dogs, which has led to aggressive and sad dog fights and DRAMA between people in the park. 2) people continuously bring food and small children into the park (which is a serious safety risk!) 3) a lot of people do not clean up after their dogs at all. 4) spending outrageous amounts of money to replace garbage cans. That is obnoxious when the dogs don't benefit from creepy looking trash cans. I hope you don't plan on waisting more of our money on that!	6/13/2017 8:58 AM

39	People that don't know how to control their dogs.	6/13/2017 8:40 AM
40	Don't think it was necessary to spend money on a dog ramp or dog garbage can. Would rather see that money go towards other things. Don't think they add much to the experience.	6/13/2017 7:34 AM
41	Muddy	6/13/2017 7:16 AM
42	Too muddy in Spring and fall. Need to bring some fill dirt / rock to fill in low spots. Umbrella currently sits in mud pit. Entrance is horrible mud patch	6/13/2017 7:08 AM
43	How far the drinking fountain is located from other areas of the park and that the only shady spot under the umbrella is often muddy	6/13/2017 6:11 AM
44	How uneven the ground is and how very muddy it gets. Without a hose option this discourages me to go to the dog park days after a rain. We really need a hose option. Even if it is a coin/dollar/credit operated time limited type use of water. I understand this would be challenging for the dog park to get, but I know hot days some of us would bring up small pools and fill it so dogs wouldn't overheat and/or try to swim in the mud!	6/13/2017 6:04 AM
45	Area under the umbrella gets muddy often, maybe moving the umbrella yearly will help? Don't know if that's possible. Maybe add or get donations for a small kid pool for dogs to cool off in hot summer	6/13/2017 5:40 AM
46	distance from my home	6/13/2017 3:09 AM
47	Water situation were dogs all drink after one another	6/13/2017 12:16 AM
48	The ditches in the middle could be filled in, when it rains it's almost unusable, also if you could re-seed the spot under the umbrella, or fill it with rocks - too muddy.	6/12/2017 11:28 PM
49	Other dogs were too aggressive and the "regulars" (humans) made me a bit uncomfortable.	6/12/2017 11:16 PM

54	mosquitoes in 2015. there were so fewer mosquitos in 2016 i wondered if the township sprayed all the fields. i;d be happy if the township sprayed the whole township.	6/12/2017 8:55 PM
55	We really enjoy the Dog Park.	6/12/2017 8:41 PM
56	Mud !!!	6/12/2017 8:31 PM
57	How muddy and wet it always is and not a lot of shade	6/12/2017 8:24 PM
58	I dislike obnoxious people that bring their violent out of control dogs to the park. Violent breeds should be band from the park!	6/12/2017 8:13 PM
