PLAYGROUND PROGRAM

QUICK FACTS AND INFORMATION

- Not surprisingly, summer programs are going to look a little different this year. We are still working on the details, but wanted to give everyone a heads-up of some of the major changes.

Registration will begin: **May 3, 2021 for residents**
May 4, 2021 for non-residents

There will only be 5 locations available this summer and all sites will be entirely OUTDOORS.

Expected locations will be: Civic Center Park, Normandy Park, Prince Drewry Park, Reid Park, and Joy Park.

There will not be before or after care. Sites will be open from 8:30am-11:45am & 12:30pm-3:00pm. Lunch pass will be available.

Since we are entirely outdoors, sites may close due to weather. Our weather policy will be posted on our website once it is finalized.

We will be following **ALL** CDC and health department guidelines in regards to masks, social distancing, sanitization, and other health related decisions.

Unfortunately, there will be no field trips this year due to logistics and gathering size restrictions.

There will be no teen volunteers on sites this year.

If a staff member/participant contracts COVID-19, one or all sites may need to be closed for quarantine and cleaning. We will post our policy on our website once it is finalized.

We will be holding a virtual information meeting on Tuesday, April 20 from 6:30pm-7:30pm.

We will present the full program information and answer limited questions live- all questions asked will be answered and posted on our website once complete.

Pre-registration is required
Meeting link will be emailed.
