Renewal of Macomb County Art Institute Authority Millage

In 2012 the electors of Macomb County approved a 10-year millage to provide County residents with services from the Detroit Institute of Arts (DIA) through the Macomb County Art Institute Authority.

As a result of the millage, the DIA provides Macomb County residents with free K-12 school field trips including free transportation, free senior group programming with free transportation, and unlimited free general admission. To ensure transparency, the DIA submits to an annual independent audit and posts financial reports online.

To continue to provide revenue to the DIA, which will allow these DIA services for the residents of the County to continue, the Art Institute Authority is permitted by law to seek a renewal of the millage at a rate of no more than the current 0.2 mill (20 cents per \$1,000 taxable value) on all real and personal property in the County. Revenue from this millage will be disbursed to the Art Institute Authority and then transferred to the DIA as permitted by and for the purposes set forth in Public Act 296 of 2010. It is estimated that if approved and levied, this millage renewal would generate approximately \$ 5.8 million in 2022.

Do you approve the renewal of the 0.2 mill on all taxable property located within the County for a period of 10 years from 2022 through 2031?
