A one-thousand-eight hundred fifty dollar (\$1,850.00) non-refundable Application Fee made payable to the Charter Township of Clinton is required at the time you submit a completed application. Township departments including Police, Fire, Building, Planning and Clerk's Office are involved in the processing, review, investigation and recommendation of each application. The application process expends considerable amounts of employee resources and taxpayer dollars.

INSTRUCTIONS

Read every question carefully and answer each question accurately. The information that you provide in this application form will be used in an investigation to determine if your character and financial ability to operate a liquor establishment meet the requested standards set forth by the Michigan Liquor Control Act and Rules and the Charter Township of Clinton Ordinances.

It is requested that you type the answers on the application form, however, if access to a typewriter is not possible, please print the answers neatly in ink (the answers must be legible). If the space provided is insufficient for a complete answer, please use additional sheets of paper, but please follow the same format that is used in the application form. If a question is not applicable to you, answer with N/A (Not Applicable). Each question must have some type of answer.

Submit an original application form, one for each member, partner or shareholder to the Township Clerk's office.

Sworn notarized statements are required at the conclusion of each part/section. All statements and documents are subject to verification and any deliberate inaccuracies, falsifications or incomplete statements and documents may result in a denial of your request for a liquor license.

CRITERIA

The Township recommendation considers the following criteria:

1. Whether the applicant and any entity the applicant is associated with and whether the business to be transferred, including the real estate upon which it is located, has timely paid all real and property taxes for the previous three (3) years.
