

Macomb County GIS Parcel Explorer

Go to:

- **gis.macombgov.org**
- Under Featured Maps and Apps, click on “Parcel Explorer Application”
- Enter an address or Tax ID in the search box at the top, or scroll in/out on the map
 - Tax ID is the parcel number found on your bill or notice
 - For Clinton Township numbers, start typing at 11 (omit the 16 at the beginning)
- There are various tools/layers/buttons available for you to:
 - view parcel boundaries and dimensions
 - measure distances and calculate areas
 - view current and historical aerials (*aerials may not align accurately with property lines as they are intended for general reference only*)
 - view boundaries for school districts, zip codes, flood zones, etc
 - connect to the local or County Treasurer website for tax data
 - connect to the County Register of Deeds website
 - connect to the State website to view plat maps

Please note: This site is operated by Macomb County, not Clinton Township. Any data should be confirmed with Clinton Township departments.

For Macomb County GIS information and help, see the bottom of their main page at gis.macombgov.org
